

CLIENTS SALUTE VALCOURT'S 25TH ANNIVERSARY

Valcourt thanks its great clients for their steadfast loyalty over the past 25 years. We couldn't have done it without you! Here is just a sample of the congratulations and kind words we received from clients across our many branches.

"Congratulations on 25 years of superior service to the property management sector. Ally Management has enjoyed our relationship of almost 10 years. It takes many components to succeed in business for 25 years ... visionary insight of the person at the top, effective leadership and management, dedicated employees, but most of all a strong desire to provide quality customer service. Valcourt has truly succeeded in all four categories!"

"Congratulations Valcourt on your 25 years of service. I have used Valcourt on two occasions and was really happy with the professional service given. On a previous condominium I managed we had some difficult issues; Valcourt never left our side. We worked through it together and the outcome was a great job. The owners and the board loved it and gave a standing ovation at the annual owners meeting to everyone involved in the project."

"Valcourt's commitment to service and going the extra mile for their customers was evident when they educated our team in changes to OSHA rules regarding roof anchor inspections. Valcourt helped to coordinate inspections of the anchor systems and facilitated the necessary certifications, which resulted in reduced liability for our clients. This is one of the many reasons I continue to use Valcourt. Congratulations on 25 years of service!"
